## Important Notes About Your Choice

- Although you will receive multiple copies of this notice over time, you need to make your choice only once. If you have chosen to not share certain information about you among the Central Bancompany Family, that choice remains in effect until you tell us otherwise. You need not restate your choice each year.
- If you have a joint account, each participant of this account has a separate right to opt-out. You must give us the name and Social Security number for each owner who wishes to make an election. Individual owners of joint accounts may make different choices. Each owner must sign.
- We will process your request promptly. However, it may take us several weeks to ensure that all records are updated with your preference. In the interim, you may continue to be included in programs as described above.
- Please note that after your request is processed, you may still be contacted by our affiliates and/or other companies based on their own information.
- We will continue to provide you with statement/billing inserts and mail notices of special offers and new benefits.
